**ORDER**

---

**THIS MATTER IS BEFORE THE COURT** on “Plaintiffs’ Unopposed Motion To Seal” (Document No. 647) and “Defendants’ Motion To Seal Related To Omnibus Motion In Limine” (Document No. 650) filed March 2, 2023. These motions have been referred to the undersigned Magistrate Judge pursuant to 28 U.S.C. § 636(b), and immediate review is appropriate. Having carefully considered the motion and the record, the undersigned will grant the motions.

A party who seeks to seal any pleading must comply with the Local Rules of this Court. Local Civil Rule(“LCvR”) 6.1 provides in relevant part as follows:

**LCvR. 6.1 SEALED FILINGS AND PUBLIC ACCESS.**

- (a) ***Scope of Rule.*** To further openness in civil case proceedings, there is a presumption under applicable common law and the First Amendment that materials filed in this Court will be filed unsealed. This Rule governs any party’s request to seal, or otherwise restrict public access to, any materials filed with the Court or used in connection with judicial decision- making. As used in this Rule, “materials” includes pleadings and documents of any nature and in any medium or format.
- (b) ***Filing under Seal.*** No materials may be filed under seal except by

Court order, pursuant to a statute, or in accordance with a previously entered Rule 26(e) protective order.

- (c) ***Motion to Seal or Otherwise Restrict Public Access.*** A party's request to file materials under seal must be made by formal motion, separate from the motion or other pleading sought to be sealed, pursuant to LCvR 7.1. Such motion must be filed electronically under the designation "Motion to Seal." The motion must set forth:
- (1) A non-confidential description of the material sought to be sealed;
  - (2) A statement indicating why sealing is necessary and why there are no alternatives to filing under seal;
  - (3) Unless permanent sealing is sought, a statement indicating how long the party seeks to have the material maintained under seal and how the matter is to be handled upon unsealing; and
  - (4) Supporting statutes, case law, or other authority.

Local Rule 6.1.

Having considered the factors provided in Local Rule 6.1(c), the Court will grant the motions to seal. Noting that the time for public response has not run for this motion, the Court will consider any objection to this Order from non-parties as an objection to the motion, requiring no additional burden for any non-party under the Federal Rules of Civil Procedure. See Local Rule 6.1(e).

**IT IS, THEREFORE, ORDERED** that "Plaintiffs' Unopposed Motion To Seal" (Document No. 647) is **GRANTED**. Document No. 645 shall remain under **SEAL** until otherwise ordered by the Court.

**IT IS FURTHER ORDERED** that "Defendants' Motion To Seal Related To Omnibus Motion In Limine" (Document No. 650) is **GRANTED**. Document No. 649 shall remain under **SEAL** until otherwise ordered by the Court. Defendants shall file a publicly-available redacted version of their sealed filing on or before **March 8, 2023**.

**SO ORDERED.**

Signed: March 3, 2023
